# BLAST FROM THE PAST

Extracts from IDLE CHATTER

Extract from IDLE CHATTER No: 177

Thurs. 8<sup>th</sup> June 1962

*MAHER CUP – Barmedman resisted the challenge from Temora and retained the coveted trophy. Barmedman itself can't be too good when at least 23% of their team is supplied by Quandialla, so I suggest that the gang get together and change the name to BARMIALLA or QUANEDMAN. In the mean-time let us barrack for the Georges – Dave, Mick, Noel and Alec. They would not be playing for Barmedman if they were not good. So, jolly good luck boys in your next match which is to be played on Saturday June 16<sup>th</sup> against Tumut – and may the best George win.....*

*NO WONDER – No wonder we had trouble with the cross augers at the Bulkhead last harvest. The bulkhead is empty now and anybody interested should go and see the hundreds and hundreds of strings from the bags which are wrapped around the bearings and universal joints which are placed at every 4'6" along the auger. If you could see this sight, I am sure you would co-operate with the agent when he asks you to keep the strings from going into the hoppers.....*

*C.W.A. – At the very risk of my life I call them the Cranky Women's Association but really they are very nice folk and it is not very often we get a whinge from them. However, they are very concerned at the moment, with the problem of the key to the Rooms. The key is left at the Post Office and it remains for you to take same AND TO RETURN SAME. This little reminder is not aimed at any one person or organisation but to all those who benefit from the present arrangement. Just a little tip, why not unlock the door and then return the key immediately because you don't need it to lock up. Mrs \_\_\_\_\_ who asked me to print that will no doubt reward me with a silver-plated tin opener?*

\*\*\*\*\*

*Does anyone else put  
things in a safe place  
and then forget  
where that  
safe place  
is????*

Cheers ..... **Sue Priestley**
