BLAST FROM THE PAST Extracts from IDLE CHATTER

Extract from IDLE CHATTER No. 92

THURS. 19th June 1959

SILLY CAUSER – Glad to see Bill about again although he is far from being 100% well. He suffered a slight stroke last Saturday but at this stage there appears to be no permanent disability. Rest and more rest is two directions issued by the Doctor. Tie him down Mrs Causer. Show him who's boss (as though we don't know).

BIMBI BUS RUN – Earl Troth was the successful tenderer for the school bus run. I believe that he has bought a very nice bus from Canowindra way and commences the service on Monday next.

VISITOR – It was nice to see Marcia Blamey up for the long weekend. Accompanied by a friend they had a rather tough trip over the Blue Mountains as they encountered quite a fierce snow storm which made driving anything but easy. . Why not come up and see us more often?

Y.A. BALL – Don't forget the date of this function. Wednesday July 8th.
